Lufft Signal Tower with LED beacons, wall mounting bracket

- **Article number**
8161.SIGNAL

Lufft Signal Tower with LED beacons, wall mounting bracket

General	
Dimensions	160 x 50 x 45 mm
Housing design	Plastic
Max. burden (resistor)	0.5 A/30 V: 500,000 cycle life span 0.3 A/30 V: 1,000,000 cycle life span
Display	2 lines, 8 characters
Weight	200 g
Storage temperature	-30...70 °C
Power supply	9...15 VDC, nominal 12 V, battery operation
Connecting system	COMBICON Phönix
Power consumption active	<60 mA
Power consumption stand-by	<100 µA
Operating temperature	-30...60 °C
Operating rel. humidity	0...95 % RH (non - condensing)
Protection type	IP42, with protection
