8379.USP-V

Surge protection (for Ventus/V200A)

| General                                   |  |
|---|--|
| Material                                  | Polyamide, yellow  |
| Dimensions                                | 22.5 x 99 x 92 mm  |
| Protection type                           | IP20   |
| Connections                               | COMBICON connector 0.2 - 2.5 mm <sup>2</sup> (AWG 24 - 12) |
| Operating temperature                     | -30...70 °C  |
| Admissible height above absolute altitude | N/A  |

| Storage conditions             |              |
|--------------------------------|--------------|
| Admissible storage temperature | -40...70 °C  |
| Operating rel. humidity        | 0...100 % RH |

| Communication backup path |                |
|---------------------------|----------------|
| Max. operating current    | 100 mA         |
| Max. operating voltage    | 10 V           |
| Rated leakage current     | 20 kA (8/20 s) |

| Supply voltage backup path |                |
|----------------------------|----------------|
| Max. operating current     | 10A            |
| Max. operating voltage     | 27 V           |
| Rated leakage current      | 20 kA (8/20 s) |
