UMB Analog Transmitter ANACON-UMB

General	
Operating conditions	
Power supply	12...26 VDC
Power consumption	<100 mA
Ambient temperature	-30...60 °C
Relative humidity	<95 % RH
Protection type	IP20
Module width	23 mm
RS232 connector	DSUB9
Sensor connector	Screw type

Storage conditions	
Ambient temperature	-40...70 °C
Relative humidity	<95 % RH
